* Earn 5.0 ABA MOCA 2.0™ Patient Safety Credits
**WELCOME TO THE CRC**, a unique and enjoyable learning experience utilizing 30 minute lecture sessions, interactive speaker panels that offer opportunities for posing questions and small group problem-based learning discussions. In a friendly, relaxed atmosphere you will meet internationally known guest speakers along with outstanding UNC anesthesiology faculty.

The Carolina Refresher Course is structured to provide lectures and small group discussions in the morning, with the afternoons free to relax and enjoy the amenities of this beautiful barrier island or explore the nearby historic city of Charleston. Kiawah Island Resort boasts five different golf courses and is one of four courses in the US to host every major American PGA event, including the 2012 and 2021 PGA Championship, and the Ryder Cup. Kiawah Island Resort also has the #2 Tennis Resort in the world by Tennisresortsonline.com, with two tennis complexes complete with hard and clay courts. Other family activities include biking and kayaking, multiple pools on the resort, and ocean beaches with a gentle surf. We hope you will be able to join us at this exceptional venue for what promises to be a relaxing and enjoyable week of continuing medical education at its finest.

CONFERENCE LOCATION  All sessions will be conducted at the East Beach Conference Center, Kiawah Island Resort. Kiawah Island is 21 miles south of Charleston and a 45-minute drive from Charleston International Airport (CHS). Additional resort information is available at kiawahisland.com.

Kiawah Island Resort is on a lush barrier island with unspoiled beaches, great visibility due to lack of high rises, waterways perfect for kayaking and one of the top US golf courses. Be sure to sample the Southern charm, sights and world-class restaurants of Charleston, one of the best preserved colonial cities in America.

STAYING IN KIawah A block of 1- and 2-bedroom condos has been reserved for attendees of the Carolina Refresher Course at the Kiawah Island Resort. To make a reservation, please call Kiawah Island Resort at (800) 654-2824 and identify yourself with the UNC School of Medicine, booking code 13199. Individuals are responsible for making their own reservations. A non-refundable deposit equal to one night’s stay per reserved accommodation is required. The deposit guarantees accommodations for the scheduled arrival day and will be applied to the last night’s reservation. Early departure, or failure to arrive on the scheduled arrival day, will result in forfeiture of the deposit. It is recommended that reservations be made at the earliest opportunity. There are a limited number of rooms at the preferred rate, and they book quickly! In addition, a limited block of rooms is available at the beachfront Sanctuary luxury hotel upon request. Please contact Kiawah Resort for prices and availability.

Problem-Based Learning

Problem-Based Learning Discussion sessions are limited to 12 participants each, so please register early as they tend to fill quickly. Case discussions and references will be emailed to registered attendees two weeks prior to the course.

The registration fee includes a flash drive containing teaching materials, breakfast each morning, and refreshments during the meeting breaks. Residents and fellows must provide a letter from the residency program director at the time of registration to qualify for the reduced rate.

EDUCATIONAL OBJECTIVES

At the conclusion of this knowledge-based activity, participants should be able to:

• Define the purpose and role of medical boards in maintenance of certification and professional development.
• Identify proper ultrasound techniques to gain vascular access in challenging patients.
• Discuss medications and blood products used to manage postpartum hemorrhage in an effort to reduce mortality.
• Examine post-surgical chronic pain in relation to cause and appropriate treatment options.
• Describe management strategies for patient with implantable cardiac devices.
• Discuss medical and surgical treatment modalities for patients experiencing co-morbidities associated with implantable cardiac devices including congestive heart failure and valvular disease.
• Examine latest pediatric anesthesia information in determining best treatment options for upper respiratory infections and those with Down Syndrome who present for electric surgery.

STATEMENT OF NEED  Anesthesiology, Pain, and Critical Care Medicine are medical disciplines uniquely characterized by an exponentially expanding base of peer reviewed literature, evolving technology, and new techniques combined with ever increasing clinical realms of practice in which this novel information is relevant. The Carolina Refresher Course seeks to present a portion of this material in a format that emphasizes utility, practicality, and retention so that the content learned may be easily and effectively applied in the improvement of patient safety, comfort, and satisfaction.

TARGET AUDIENCE  The course is designed for physicians, including but not limited to anesthesiologists, critical care specialists, pain specialists, surgeons, and internists, as well as certified registered nurse anesthetists, anesthesiology resident and fellow physicians, certified anesthesiologist assistants, and allied services practitioners.
