BETTER HEALTHCARE THROUGH EDUCATION

Target Audience

Anesthesiologists, Fellows, Residents, Certified Anesthesiologist Assistants and Medical Students

Statement of Educational Need

The meeting theme for the 2017 NCSA/SCSA Annual Meeting is "Quality in Anesthesia." The goal of this conference is to promote quality practices across the profession; from NC Medical Board opioid prescribing guidelines to assessing and treating cardiac patients in non-cardiac surgeries. Other topics that will be addressed include: workplace culture, updates in pediatric and OB anesthesia, patient care related to chronic kidney disease, negotiations with insurers and reflections on race and medicine.

The program will also include a Saturday session specifically geared towards residents and an ultrasound workshop intended for practitioners to improve their skills at performing truncal blocks.

Learning Strategies for Participants

- Explain the new CDC guidelines for prescribing opioids.
- Discuss best practices for delivering anesthesia care in the setting of non-cardiac surgery for patients with cardiac disease.
- Describe current operational strategies for decreasing morbidity and mortality in cardiac surgery cases.
- Identify future trends in improving the care of cardiac patients.
- Explain current knowledge in pediatric anesthesia, OB anesthesia and treatment for patients with chronic kidney disease.
- Discuss ways to improve negotiations with hospitals and payors.
- Analyze challenges with race and medicine.
- Describe workplace culture and its impact on clinical operations.

Resident Abstract Poster Submissions

Abstracts may be submitted in the categories of Best Original Research, Case Report and Literature Review. Submissions must be received by August 25, 2017, and sent to Kara Weishaar at kweishaar@smithlaw.com.

Faculty

Gregory Anderson, CPA/ABV, CVA

FRIDAY, SEPTEMBER 8, 2017

11 am-5 pm **Registration** (lunch/refreshments on own)

Exhibits Vanderbilt Grand Ballroom B

GENERAL SESSIONS Vanderbilt Grand Ballroom A

Moderator: Charlene Green

1:00 pm **Welcome and Announcements** *Charlene Green, President-Elect, NCSA*

1:10 Patient with Chronic Kidney Disease *Robert Sladen*

2:00 North Carolina Medical Board Update *Bryant Murphy*

2:50 **Break with Exhibitors** Vanderbilt Grand Ballroom B

3:10 Workplace Culture *Michelle Gethers-Clark*

4:00-4:50 pm Hot Topics in Pediatric Anesthesia *Ann Bailey*

FRIDAY EVENING

5-7 pm **Opening Night Reception** Vanderbilt Grand Ballroom B

SATURDAY, SEPTEMBER 9, 2017

6:30 am-1 pm **Registration & Exhibits**

6:30-7:15 **Continental Breakfast – Meet with Exhibitors** Vanderbilt Grand Ballroom B

9:00am **NC Anesthesia Technician Meeting** Hoover HJ
NC Practice Manager’s Association Meeting Roosevelt KL

GENERAL SESSIONS Vanderbilt Grand Ballroom A

7:05 am **Welcome and Announcements** *Charlene Green*

7:15 Anatomy in Regional Anesthesia in the Ultrasound Era *Carlo Franco*

8:05 Patient with Cardiac Disease for Non-Cardiac Surgery *Robert Sladen*

8:55 **Break with Exhibitors** Vanderbilt Grand Ballroom B

9:25 Basic Echo and Innovations with TAVR and LVAD *Madhav Swaminathan*

10:15 Negotiations 101 *David Lubarsky*

11:05 MACRA Success Series *Gregory Anderson and Julian “Bo” Bobbitt*

12:15 pm **Lunch on own**

ULTRASOUND WORKSHOP Vanderbilt Grand Ballroom A*Separate registration, free for attendees***2 pm-4:30 pm****Ultrasound Guided Fascial Plane Blocks: TAP, QL, PEC/Serratus and Knee Infiltration***Jeff Gadsden*

Hands-on workshop entitled: "Ultrasound Guided Fascial Plane Blocks: TAP, QL, PEC/Serratus and Knee Infiltration" which is intended for practitioners of all skill levels who wish to improve their competency in performing truncal blocks (transversus abdominis plane (TAP), quadratus lumborum (QL), rectus sheath blocks) and PEC block infiltrative techniques, in addition to infiltrative techniques for knee surgery. This interactive workshop will feature small participant to-instructor ratios and a customized curriculum focusing on developing hands-on skills. Each technique will be taught by expert instructors using didactic sessions with dynamic multimedia presentations, live demonstrations and guided hands-on live model scanning.

Workshop to cover the following:

- Pectoralis I&II and Serratus Plane Blocks
- Transversus Abdominis Block (TAP), rectus sheath and quadratus lumborum (QL) blocks
- Pericapsular Infiltration of Local Anesthetics around the Knee
- Opioid Reducing Strategy with Regional Anesthesia
- Pharmacology of Liposome Bupivacaine

Albert Einstein College of Medicine designates this live activity for a maximum of 2.5 *AMA PRA Category 1 Credits*[™]. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Register for the Saturday Ultrasound workshop [here](#).

RESIDENT TRACK Taft MN*Moderator: David Mayer*

*Lunch will be provided for residents.
No credit for Resident Track*

Credit

The Wake Area Health Education Center (Wake AHEC) designates this live activity for a maximum of 9.5 *AMA PRA Category 1 Credits™*. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

Accreditation Statement: This activity has been planned and implemented in accordance with the accreditation requirements and policies of the North Carolina Medical Society (NCMS) through the joint providership of Wake AHEC and the North Carolina Society of Anesthesiologists. Wake AHEC is accredited by the NCMS to provide continuing medical education for physicians.

Additional Credit: Other health professionals will receive Wake AHEC CEU and a certificate of attendance from an *AMA PRA Category 1 Credit™* activity. These certificates are accepted by the NC Boards for physician assistants, nurse practitioners, CAAs and critical care specialists. License requirements are subject to change. Wake AHEC recommends that participants contact their licensing boards for specific questions.

Wake AHEC will provide 1.0 CEU to participants upon completion of this activity. A participant must attend 100% of the program to receive credit. Partial credit will not be awarded.

Wake AHEC will provide up to 9.5 Contact Hours to participants.

Disclosure: Wake AHEC adheres to ACCME Essential Areas and policies regarding industry support of continuing medical education. Commercial support for the program and faculty relationships within the industry will be disclosed at the activity. Speakers will also state when off-label or experimental drugs or devices are incorporated in their presentations.

Wake AHEC is part of the North Carolina AHEC Program.

Registration

- **Click to register**
- \$325; after August 4 – \$350
- \$375; after September 1, register onsite
- \$75 for Anesthesiology Residents & Fellows, Medical Students & CAAs
- \$20 for Practice Managers
- Fee includes online handouts and certificate of completion.
- Continental breakfast, breaks and evening receptions provided.
- Questions? Contact Lue McKnight at 919-350-0469, lmcknight@wakeahec.org or call toll free at 866-341-1814.
- Visit www.wakeahec.org for our ADA statement and the inclement weather schedule.

Cancellations & Refunds

Refunds will not be issued unless we are notified by 5pm Monday, August 21, 2017. A \$125 cancellation fee will be deducted from the registration fee if a refund is issued. Substitutes are encouraged.
