

NEW

THREE PART RECORDED WEBINAR SERIES ON Controlled Substance Prescribing for Treating Patients with Pain and Substance Misuse

Module 1 Prescribing Controlled Substances in North Carolina

Module 2 Recognizing Signs of Substance Misuse

Module 3 Best Practices in Chronic Pain Management and Safe Opioid Prescribing

Wake AHEC and the NC Medical Board (NCMB) have partnered together to develop this three-part recorded webinar series addressing prescription opioids and will fulfill the three hour-controlled substances CME requirement for the NCMB.

These modules will provide clinicians with best practices for effectively and appropriately treating pain, and ultimately improving patient outcomes.

Target Audience

North Carolina licensed physicians, physician assistants and nurse practitioners currently prescribing controlled substances

Learning Objectives

At the conclusion of this competency-based learning activity, the participant should be able to:

- Review the importance of utilizing the Prescription Data Monitoring Program (PDMP) more effectively.
- Discuss the importance of utilizing treatment agreements for patients prescribed controlled substances.
- Discuss the importance of educating patients about use of naloxone.
- Use non-stigmatizing language to discuss patients with substance use.
- Recognize signs of substance use.
- Discuss addiction as a chronic disease.
- Discuss the definition of chronic pain and its prevalence.
- Appropriately utilize non-opioid analgesics for pain management.
- Implement appropriate opioid prescribing.

Registration

- \$20 per session. **CLICK HERE TO REGISTER**
- Vouchers will be accepted.

Cancellations and Refunds: No refunds will be issued.

Credit

The Wake Area Health Education Center (Wake AHEC) designates this enduring material activity for a maximum of 1.0 AMA PRA Category 1 Credit,[™] for each part of the series completed. Physicians should claim only the credit commensurate with the extent of their participation in the activity.

This activity has been planned and implemented in accordance with the accreditation requirements and policies of the North Carolina Medical Society (NCMS) through the joint providership of Wake AHEC and the NC Medical Board.
