

## Empowering Primary Care Providers in **DEMENTIA** Diagnosing, Care Continuity, and Resource Integration

**SAVE THE DATE**  
**SATURDAY**  
**OCT 4, 2025**

The William F. Andrews Conference Center  
3024 New Bern Ave  
Raleigh, NC 27610

Registration & Light Breakfast: 8:00 am  
Program: 8:30 am – 3:15 pm

This educational activity will review the changing landscape of brain health recommendations for dementia prevention across the lifespan. Those in attendance will be provided new tools in diagnosing patient with dementia and navigating the long wait times for referrals.

### Target Audience

Physicians, Physician Assistants, Nurse Practitioners, Nurses and other interested health and human service professionals who are interested in brain health

### Learning Objectives

At the conclusion of this educational activity, the participant should be able to:

- Describe the current approach for identifying individuals at increased risk for dementia, including genetic and biomarker assessments.
- Identify modifiable risk factors for cognitive decline in patients.
- Describe options for performing annual health assessments during wellness visits.
- Discuss cognitive health recommendations and resources (e.g. referrals to address sensory health or sleep disorders).

### Registration Fee

- \$75 registration fee will include conference attendance, light breakfast, lunch, access to online handouts, online evaluation, and credit certificate.
- Registration will open on Monday, July 7, 2025. Visit [wakeahec.org](https://wakeahec.org) to register and for brochure information.

**REGISTRATION COMING JULY 7!**
