

Continuing Professional Development (CPD) data was pulled from CASCE. Programs were flagged as targeting a given occupation if the occupation was marked on the CASCE event Occupations field. Series activities can be excluded by un-checking that structure.

Measure 1: % of CPD Programs Designed for Targeted Professions (Overall)

Target $\geq 50\%$ of programs designed for targeted professions

Measure 2: % of Targeted Occupations who Attended CPD Activities in the Region's Counties

Target: $\geq 15\%$ of targeted occupation attendees based on 2021 Sheps Center population estimates by occupation

The following lists the occupations in CASCE that comprise each profession.

Medicine: Physician, Physician Assistant

Nursing: Licensed Practical Nurse, Nurse Practitioner, Registered Nurse, Nurse Anesthetist, Certified Nurse Midwife, Clinical Nurse Specialist

Oral Health: Dentist, Dental Hygienist

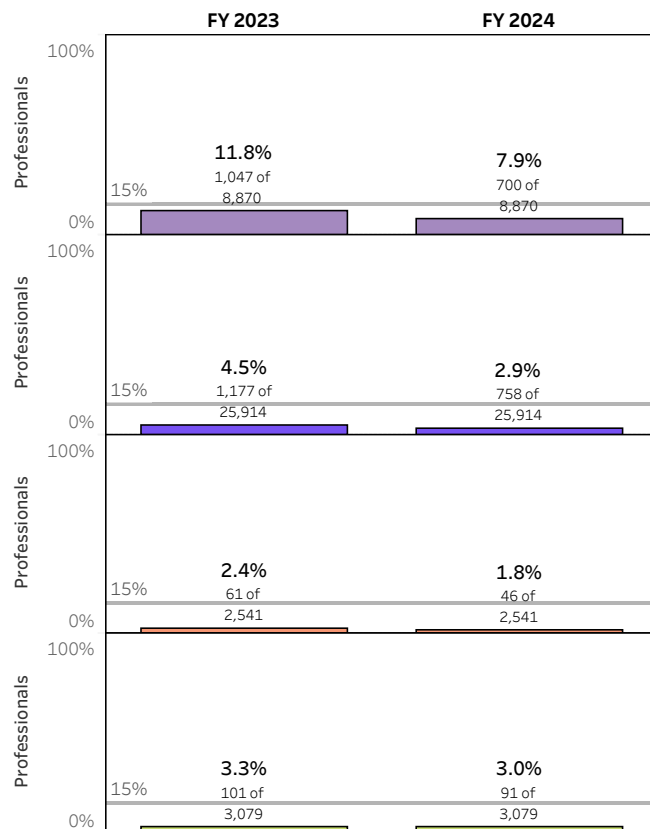

Pharmacy: Pharmacist

Medicine

Nursing

Oral Health

Pharmacy

Measure 3: % of CPD activities that Engage Practice Support Coaches in the Assessment, Planning, Implementation, and/or Evaluation of the CPD Activity

Target is $\geq 5\%$ of events.
