WORKING IN LONG TERM CARE FACILITIES IN WAKE COUNTY

Communicable Disease Prevention and Management: Partnering for Better Patient Outcomes

WEDNESDAY, AUGUST 23, 2023

8:30 a.m. to 4:00 p.m.

Wake County Commons Building
4011 Cary Drive, Raleigh, NC 27610

This interactive conference will provide participants current information and useful tools to prevent and respond to communicable disease in their facilities. Content will include:

- Identifying signs and symptoms of specific diseases and conditions;
- Recognizing potential outbreaks;
- Responding appropriately to prevent further disease transmission; and
- Reporting processes required by state and local laws.

Discussion will also include effective ways long term care facilities, Wake County Health and Human Services, and Wake County Environmental Services can partner to improve resident outcomes related to communicable diseases and conditions.

Target Audience

All staff working in Family Care Homes, Assisted Living Facilities and Skilled Nursing Facilities in Wake County responsible for: providing direct care and supportive services to residents, making medical decisions, educating and managing staff, and ensuring adherence to regulatory and legal requirements

Specifically: Nurses, Nurse Aides, Physical Therapists, Occupational Therapists, Speech and Language Pathologists, Rehabilitation Therapy Assistants, Social Workers, Dietary Staff, Environmental Services Staff, Professional Development/Educators, Physicians and Advance Practice Providers, Management, Facility Admissions Coordinators and Facility Administrators

Credit

Nursing Contact Hours, Nursing Home Administrator (NCBENHA) Clock Hours, CEUs and Contact Hours

Registration fees

Will be waived due to the generous support of Wake County Health and Human Services and Wake County Environmental Services
