

HIPAA & NC Local Health Departments: 2024 Critical Updates

WAKE AHEC

PART OF NC AHEC

Thursday, June 13, 2024

Registration: 8:30am

Program: 9:00am – 4:00pm

The McKimmon Conference and Training Center, Raleigh, NC

Co-sponsored with the NC Public Health HIPAA Alliance

Event #73050so

Program Description: This one-day workshop will provide updates on HIPAA compliance issues for local health departments. The workshop will begin with a “back to basics” overview of the HIPAA regulatory landscape and HIPAA learning resources. The educational activity will include a detailed consideration of core topics including hybrid entity designation, breach response, individuals’ right of access to their protected health information (PHI), and disclosures of PHI to law enforcement.

Location

The McKimmon Conference and Training Center
1101 Gorman Street
Raleigh, NC 27606

Directions and parking information will be emailed with your confirmation letter.

Target Audience

This program is specifically tailored to North Carolina’s local health departments and intended for staff members who are directly involved with HIPAA-related responsibilities. **Depending on space availability**, other health care professionals interested in the topics may attend.

Objectives

At the conclusion of this educational program, participants should be able to:

1. Explain the difference between the types of entities and information covered by HIPAA and FERPA.
2. Identify two types of personal representatives and describe their authority to make health care decisions for another person.
3. Describe where best practices in cybersecurity could be applied or expanded upon within their own organizations to reduce security risks.
4. Locate resources for learning more about HIPAA.
