

HIPAA & NC Local Health Departments: 2025 Critical Updates

WAKE AHEC

PART OF NC AHEC

Thursday, June 26, 2025

Registration: 8:30am

Program: 9:00am – 4:00pm

The McKimmon Conference and Training Center, Raleigh, NC

Co-sponsored with the NC Public Health HIPAA Alliance

Event #74812so

Program Description: This one-day workshop will provide updates on HIPAA compliance issues for local health departments. The educational activity will include a detailed consideration of core topics including hybrid entity designations, breach response, business associate relationships, and sharing information with local departments of social services. The workshop will also include a session dedicated to hot topics and recent changes in the law. The day will conclude with a “HIPAA Jeopardy” refresher session that gives attendees an opportunity to review what they learned and ask questions.

Location

The McKimmon Conference and Training Center
1101 Gorman Street
Raleigh, NC 27606

Directions and parking information will be emailed with your confirmation letter.

Target Audience

This program is specifically tailored to North Carolina’s local health departments and intended for staff members who are directly involved with HIPAA-related responsibilities. ***Depending on space availability***, other health care professionals interested in the topics may attend.

Objectives

At the conclusion of this educational program, participants should be able to:

1. Assess whether HIPAA applies to different parts of their own organization (hybrid entity analysis) and relationships with third parties (business associate analysis).
2. Describe what constitutes a breach of protected health information and the process for conducting a risk assessment.
3. Explain how two North Carolina laws and HIPAA work together to permit certain information sharing with local departments of social services.
4. Locate resources for learning more about HIPAA.
