

# Diagnostic Evaluation and Treatment of Surgical Disorders for the Primary Care Provider

**Saturday  
May 18, 2024**

**Live In-Person and Online Event**

**Registration & Breakfast  
7:30 a.m.**

## Location

North Carolina Heart and Vascular Center for Innovation and Learning Conference Room  
2800 Blue Ridge Road, Raleigh, NC

## Description

Surgical diagnosis is an old but constantly evolving exercise which places significant pressure on the primary care practitioner in a progressively shortening timeframe. Additionally, the state of the art for surgical treatment of these disorders is an evolving form depending on the practice patterns and training of your local practitioners. This educational event will provide guidance for diagnostic evaluation as well as management modalities for common issues encountered by the primary care practitioner.

## Target Audience

Physicians in Family Practice and Internal Medicine, Advanced Practice Providers, and Nurses
