

# REPRODUCTIVE HEALTH IN NORTH CAROLINA:

## Contraception, Abortion, and Medicaid Expansion

### 2023

**LIVE WEBINAR**  
WEDNESDAY,  
OCTOBER 18

**ZOOM Registration:**

5:20 pm

**Program:**

5:30 pm – 8:45 pm

Please join us for an engaging webinar with content focusing on an update on long-acting reversible contraception (LARCs), contraception access for adolescents, reproductive justice and sterilization, the current state of abortion care nationally with a focus on North Carolina laws, the use of Mifepristone (RU486), and Medicaid expansion in NC and the impact on sexual and reproductive healthcare.

### Target Audience

Physicians in Family Medicine, Obstetrics and Gynecology, and Pediatrics, Physician Assistants, Nurse Practitioners, Nurses and others interested in reproductive health issues

### Learning Objectives

At the conclusion of this competency-based activity, the participant should be able to:

- Describe new guidelines for extended use of long acting reversible contraception and the evidence for these changes.
- Synthesize evidence on legal barriers patients face to abortion in North Carolina and anticipated effects on lack of access to care.
- Evaluate current practice policies that expand reproductive health services to Medicaid beneficiaries.
