

## **Controlled Substance Prescribing: What Every WakeMed Provider Needs to Know**

**May 9, 2018**

On this page you will find presentations that were provided by the speaker in time for posting to this website. To access these materials, just click on the presentation title(s) below.\*

**Wake AHEC requires all speakers, planners and joint providers to disclose any potential conflicts of interest. None of the planners or speakers has any relevant relationships to disclose.**

\*NOTE: Some presentations are not currently available due to one or more of the following: 1) unpublished data; 2) not yet received from the speaker; or 3) size of file. Continue to check the handout link for additional handouts.

You will not receive hard copies of these handouts at the program. You have the option to:

- Bring your laptop or mobile device and view online during the presentation
- View online until June 8, 2018
- Save on your device and bring to view during the presentation
- Print the slide presentation(s) and bring to the conference
