# ETHICS AND BOUNDARIES IN CLINICAL SUPERVISION

Monday, August 15, 2022

Registration: 8:30 am

Program: 9:00 am - 4:30 pm

Clinical supervision is an essential aspect of a behavioral healthcare provider's training. Supervision helps develop the professionalism of clinicians, impart and maintain ethical standards, and helps improve client care. This training reviews common ethical issues involved in supervision and provides strategies to navigate ethical dilemmas.

## Location

Andrews Conference Center  
3024 New Bern Ave. Raleigh NC 27610

## Objectives

Upon completion of this program, participants should be able to:

- Explain the importance of ethics and boundaries in clinical supervision.
- Discuss how to manage ethical challenges that arise within the supervisory relationship.
- Apply ethical decision-making principles to the practice of clinical supervision.

## Speaker

**Lauren Quick-Graham, MSW, LCSW, LCAS, CSI**

Behavioral Health Writer/  
Subject Matter Expert, Relias  
LCSW Abstractor, DHHS

# WHAT WORKS IN THERAPY

Tuesday, August 16, 2022

Registration: 8:30 am

Program: 9:00 am - 12:15 pm

This program will explore the latest research on the key ingredients for successful treatment outcomes and then consider the implications of this research on our role as clinical supervisor.

## Location

WakeMed Cary Conference Center  
1900 Kildaire Farm Rd. Cary NC 27518

## Objectives

Upon completion of this program, participants should be able to:

- Articulate current shortcomings in the field of treatment, including the domains of outcomes, dropouts, deterioration, and therapeutic alliances.
- Describe how these shortcomings present a challenge for successful supervision.
- From the workshop material presented, create a plan to either address one shortfall or incorporate one asset into your clinical supervision.

## Speaker

**Michael McGuire, LCSW, LMFT, LCAS, CCS, MINT**

Clinical Assistant Professor  
UNC School of Social Work

*This presenter is being supported through the partnership between UNC-Chapel Hill School of Social Work and the NC AHEC Program.*

# EXPERIENTIAL SUPERVISION

Tuesday, August 16, 2022

Registration: 12:30 pm

Program: 1:00 pm – 4:15 pm

Join us as we explore ways to add energy, meaning, and excitement into clinical supervision through the use of experiential techniques and concepts. We will discuss and test-drive a wide variety of creative approaches to clinical supervision such as deliberate practice, reflective supervision, walking supervision, thinking aloud technique, psychodrama, adventure-based supervision, roleplay, focused reflection, and the use of art, books, and film.

## Location

WakeMed Cary Conference Center  
1900 Kildaire Farm Rd. Cary NC 27518

## Objectives

Upon completion of this program, participants should be able to:

- Articulate the basic ideas of an experiential approach to clinical supervision.
- Describe two or more techniques of experiential clinical supervision.
- Create a plan to incorporate one or more experiential clinical supervision techniques.

## Speaker

**Michael McGuire, LCSW, LMFT, LCAS, CCS, MINT**

Clinical Assistant Professor  
UNC School of Social Work

# FOSTERING YOUR CULTURAL & PROFESSIONAL IDENTITY IN THE CONTEXT OF CLINICAL SUPERVISION

Wednesday, August 17, 2022

Registration: 8:30 am

Program: 9:00 am – 4:30 pm

This workshop will assist clinicians from various backgrounds and training levels in becoming more aware of their individual cultural, and professional identity. Links between culture and the influence this has on the therapeutic relationship and in the supervision setting will be explored.

## Location

Andrews Conference Center  
3024 New Bern Ave. Raleigh NC 27610

## Objectives

Upon completion of this program, participants should be able to:

- Discuss culture and cultural differences in the supervision space.
- Explain culture in the therapy space.
- Identify opportunities for your own cultural education needs and resources for learning.
- Describe cultural humility and how to create a culturally affirming space.
- Identify links between personal cultural identity and professional identity.
- Describe how culture influences the supervision relationship.
- Identify strategies professionals can use to enhance the supervisory relationship.

## Speaker

**Erica K. Smith, LCSW, BC-TMH**

Clinical Director, Child and Adolescent Therapy Services  
One Eighty Counseling

# LEADERSHIP IN THE FIELD OF BEHAVIORAL HEALTH

**Thursday, August 18, 2022**

Registration: 8:30 am

Program : 9:00 am – 12:15 pm

This program will explore the four specifics related to leadership in the field of behavioral health including business mindedness, community engagement, thought leadership, and diversity. Current business trends in leadership and the importance of taking part in advocacy to address the next steps in our field will be discussed. Finally, this presentation will discuss data and trends of diversity in leadership.

## Location

Andrews Conference Center  
3024 New Bern Ave. Raleigh NC 27610

## Objectives

Upon completion of this program, participants should be able to:

- Describe how business mindedness is connected to advocacy and leadership.
- Discuss relevant trends on thought leadership, how this works, and the importance to the field.
- Identify data trends in diversity within behavioral health leadership.

## Speaker

**Joy Brunson-Nsubuga, MA, LMFT, LCAS, CCS**

Vice President- Southeast Region  
RI International

# DUAL LICENSURE SUPERVISION

**Thursday, August 18, 2022**

Registration: 12:30 pm

Program: 1:00 pm – 4:15 pm

This program will explore the history and evolution of the licensure process in North Carolina including cost, efficiency, differing paradigms, challenges, barriers, and opportunities. This presentation will explore the effects on the supervisees, supervisor, and client when working towards dual licensure as well as the process of supervision.

## Location

Andrews Conference Center  
3024 New Bern Ave. Raleigh NC 27610

## Objectives

Upon completion of this program, participants should be able to:

- Describe the history and evolution of acquiring licensure in NC.
- Discuss the effects on the supervisee, the supervisor, and the client when it comes to dual licensure and dual licensure supervision.
- Apply new interventions and tools to assist supervisees in utilizing multiple licensures effectively with clients.

## Speaker

**Joy Brunson-Nsubuga, MA, LMFT, LCAS, CCS**

Vice President- Southeast Region  
RI International
