MEN'S
HEALTH
EDITION 2026

SATURDAY, JUNE 6, 2026

William F. Andrews Conference Center
 3024 New Bern Avenue, Raleigh, NC 27610

REGISTRATION 7:15 am • PROGRAM 7:50 am – 3:30 pm

Target Audience

Physicians in Family Medicine, Internal Medicine, Cardiology, Sleep Medicine, Urology, Psychiatry, and Endocrinology, Hospitalists, Advanced Practice Providers, Nurses, Case Managers, Health Educators, and other healthcare clinicians involved with the care of men

Description

This conference is designed to address the most current clinical challenges and medical conditions in caring for the male patient. The goal of this conference is to expand the awareness of men's health concerns and increase appropriate application of screening, prevention, management, and treatment options. Sessions will include topics such as recommended preventative screenings, depression in men, erectile dysfunction, enlarged prostate, prevention of heart attacks, strokes and heart failure, low testosterone, exercise prescription, and sleep disorders. We look forward to seeing you there!

This activity has been approved for
 AMA PRA Category 1 Credit™.
