BETTER HEALTHCARE THROUGH EDUCATION

Join a national network of AHEC Scholars and develop the skills you need to make a difference in our state of health.

The NC AHEC Scholars Program recruits, trains, and supports a diverse group of students, creating a multidisciplinary team of health professionals committed to both community service and the transformation of health systems across the state.

With an emphasis on individuals from underrepresented minorities, disadvantaged/rural backgrounds, and first-generation college students, the NC AHEC Scholars Program aims to improve the diversity and distribution of all health professions.

AHEC Scholars at Wake AHEC will receive a \$500 per year subsidy, subject to academic or institutional approval. Each AHEC Scholar will receive an NC AHEC Scholars Certificate, setting them apart from other students in an increasingly competitive environment.

The NC AHEC Scholars experience

- Two-year program
- Runs September 1st–August 31st, beginning in 2018–19
- 40 hours of didactic and 40 hours of clinical work each year
- Invaluable networking opportunities

Curricular components may include:

- Interprofessional education
- Behavioral health education
- Social determinants of health
- Cultural competency
- Practice transformation
- Current & emerging health issues

THE NC AHEC SCHOLARS PROGRAM

The NC AHEC Scholars Program recruits, trains, and supports a diverse group of students from across the state, creating a multidisciplinary team of health professionals committed to both community service and the transformation of health care in North Carolina. We seek individuals who are committed to improving health and health care, devoted to community service, and interested in improving their own skills and in working with other professionals in team-based care.

With an emphasis on individuals from underrepresented minority populations and/or from disadvantaged/rural backgrounds, as well as first-generation college students, the NC AHEC Scholars Program aims to improve the diversity and distribution of all health professions and to support health systems transformation across the state. Each class of NC AHEC Scholars represents a variety of health professions and institutions from every region of North Carolina.

Selected applicants participate in a two-year educational program and may receive an \$1,000 travel expense subsidy (\$500 per year, subject to academic or institutional approval). Each AHEC Scholar will receive a NC AHEC Scholars Certificate, setting them apart from other students in an increasingly competitive environment. Selected scholars will meet students and faculty from other schools and across the region and state. They will also have the chance to meet leaders in health care and make connections with other participants, creating an invaluable network for their future careers.

PROGRAM ELIGIBILITY

NC AHEC Scholars must:

- be enrolled in a college-level health professions education training program in North Carolina by August 31, 2018,
- have reliable access to Wi-Fi,
- have reliable transportation, and
- be eligible to work inside the United States.

REQUIREMENTS

Each NC AHEC Scholar must:

- be committed to the program for a total of two years,
- complete 40 hours of didactic training each year of the program, and
- complete 40 hours of experiential training each year of the program.
