Updates to the 2023-2024 Core Orientation Presentation:
New Resource Guide that lists all links included in the Core Orientation.  New  links are throughout the slide deck and only accessed from the Resource Guide provided.

**Instructions for obtaining certificate of completion:**

Click the DONE button at the bottom of the test result page.

Once you click the "DONE" button below, there will be a link to your certificate on the Thank You page. Make sure to click that link and download your blank certificate before closing your browser. **Download** the copy of the blank certificate, open the certificate from the downloaded location on your computer, type in your name and date of completion, save this document before uploading. Submit the signed and dated certificate to the academic adviser or coordinator, online database or healthcare agency as required.

Step by step process:

- ✓ At the end of the video, click on the pop-up link to proceed to the Evaluation.

- ✓ Read the instructions carefully on the first page of the questions.

- ✓ Complete the questions and evaluation, click done to proceed to the test results.

Revised:  5092023
